Reviewer's report

Title: From Parallel Practice to Integrative Health Care: A Conceptual Framework

Version: 1 Date: 17 May 2004

Reviewer: Beth Ann Ann Swan

Reviewer's report:

General

1. This is a timely, informative, and well-written manuscript.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

2. It is recommended that the authors' acknowledge through citation that they are adapting/basing their framework on A. Donabedian's structure-process-outcome framework (1966).

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:

None
