Reviewer's report

Title: Health Insurance, Neighborhood Income, and Emergency Department Usage by Utah Children 1996-1998

Version: 3 Date: 1 March 2005

Reviewer: John Tilford

Reviewer's report:

General

The revised manuscript addresses the previous concerns.

-------------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-------------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-------------------------------------------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
