Reviewer's report

Title: Supporter or obstructor; experiences from contact person activities among Swedish women with breast cancer

Version: 3 Date: 14 December 2004

Reviewer: Carrie Jo Braden

Reviewer's report:

General: The revisions have clarified questions raised in the initial review.

------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
In the Background section - the 2nd sentence - take out so-called, in the 4th sentence use word consists rather than constitutes. In the 2nd paragraph the sentence 3 should read: "The twenty-eight of the total 32 ....

------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

------------------------------------------------------------------------------------------------------------------------

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No
