Reviewer's report

Title: Ethnic minorities and prescription medication; concordance between self reports and medical records

Version: 2 Date: 13 June 2006

Reviewer: Agustin Escalante

Reviewer's report:

General

I have no further comments. The authors have responded to my concerns.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
