Reviewer's report

Title: Functional Status Decline as a Measure of Adverse Events in Home Health Care: an observational study

Version: 2 Date: 27 September 2006

Reviewer: Gideon Caplan

Reviewer's report:

General
The revisions and clarifications incorporated into the manuscript make it more accurate. I am happy for it to proceed to publication

----------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

----------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

----------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
