Reviewer's report

**Title:** Identifying patients at risk of nursing home admission: The Leeds Elderly Assessment Dependency Screening tool (LEADS)

**Version:** 2  **Date:** 3 February 2006

**Reviewer:** Yea-Ing Shyu

**Reviewer's report:**

General
The authors have responded to my questions satisfactory.

-----------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------

**What next?:** Accept without revision

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No

**Declaration of competing interests:**
