Reviewer's report

Title: Mapping oral health related quality of life to generic health state values

Version: 1 Date: 27 June 2006

Reviewer: Judith Jones

Reviewer's report:

General
I have reviewed the revised manuscript and find it entirely suitable for publication in its present form.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
