Reviewer’s report

Title: Estimation of the real population and its impact on the utilisation of healthcare services in mediterranean resort regions: an ecological study

Version: 2 Date: 19 December 2006

Reviewer: Gerard Bury

Reviewer’s report:

General

The revisions are reasonable and I am happy that this paper should proceed to publication

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
