Reviewer's report

Title: Day care cataract surgery in Central and Southern Italy: a multicentric survey

Version: 6 Date: 18 January 2007

Reviewer: Jose M. Quintana

Reviewer's report:

General

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Text:

Statistical analysis

All P values were two-sided and P values less than 0.05 were considered statistically significant.

Correction:

Change to

p-values or p values

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
