Reviewer's report

Title: Interventions aimed at reducing problems in adult patients discharged from hospital to home: a systematic meta-review.

Version: 2 Date: 20 February 2007

Reviewer: Diane E. Holland

Reviewer's report:

General
The authors have answered my points sufficiently well to allow their manuscript to be published.

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
None

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
None

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
None

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
