Reviewer's report

Title: Time-trend and variations in the proportion of second-eye cataract surgery

Version: 2 Date: 18 March 2007

Reviewer: Jonathon Ng

Reviewer's report:

General

The authors have responded satisfactorily to my earlier comments.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Please carefully proof-read your manuscript as there were a few grammatical errors with the incorrect use of present tense.

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
