Reviewer's report

Title: Improving organisational systems for diabetes care in Australian Indigenous communities

Version: 2 Date: 11 April 2007

Reviewer: Sandy Cook

Reviewer's report:

General

The author has responded appropriately to my comments. No further comments.

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

I noted one additional editing point - Figure 1 - Year 1 audit: - needs a space between 1 and audit.

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
