Reviewer's report

Title: Priority Setting in the Provincial Health Services Authority: survey of key decision makers

Version: 3 Date: 20 April 2007

Reviewer: Søren Holm

Reviewer's report:

General
I think the authors have responded adequately to the reviewers comments and that the paper requires no further revisions.

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
