Title: Costs of hospital care for hypertension in an insured population without an outpatient medicines benefit: an observational study in the Philippines

Version: 2 Date: 18 June 2008

Reviewer: Dylan Roby

Reviewer's report:

I think that the authors responded to reviewer comments in their final draft of the article, and did a good job of incorporating the suggestions (which focused on identifying limitations) and not overstepping their ability to make generalizations about their findings.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
