Reviewer's report

Title: The relationship between depressive symptoms, health service consumption, and prognosis after acute myocardial infarction: a prospective cohort study.

Version: 2 Date: 13 August 2008

Reviewer: Brett Thombs

Reviewer's report:

The authors have adequately addressed my previous comments.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interest
