Reviewer’s report

Title: A cost minimisation analysis of a telepaediatric otolaryngology service

Version: 4 Date: 18 November 2007

Reviewer: Kenneth M McConnochie

Reviewer’s report:

General
Interesting and useful analysis

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Those identified by myself and other reviewers have been appropriately addressed.

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Those identified by myself and other reviewers have been appropriately addressed.

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

Those identified by myself and other reviewers have been appropriately addressed.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I hold an equity position in Tel-e-Atrics, Inc., a vendor of telemedicine systems and support services. Tel-e-Atrics products might be used to deliver services that
were evaluated in the research described in this manuscript.
