Reviewer's report

**Title:** Prioritisation of patients on waiting lists for hip and knee arthroplasties and cataract surgery: instruments validation

**Version:** 2  **Date:** 19 March 2008

**Reviewer:** Barbara Conner-Spady

**Reviewer's report:**

Minor essential revisions

Please check the correction on page 16 ...it has to be set up as an information system...'. The authors indicated in the response to reviewers that they had made this change.

The revision to Table 2 should read: The speech dimension was not included in the analysis as none of the patients had difficulty with it.

**What next?** Accept after minor essential revisions

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests.
