Title: The Relationship between Social Capital in Hospitals and Physician Job Satisfaction

Version: 2 Date: 5 March 2009

Reviewer: F Anagnostopoulos

Reviewer's report:

Minor Revisions
Overall, the authors have been responsive to my previous input. However, I think that they should add some more details and appropriate references in order to justify their choice to use a single item, measuring job satisfaction.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
