Reviewer’s report

**Title:** What changes poor mothers’ child care-seeking behaviors?: a cross sectional study in Granada, Nicaragua

**Version:** 3  **Date:** 22 February 2010

**Reviewer:** Jasim Uddin

**Reviewer’s report:**

I have gone through the revised version and recommending to publish the article with following minor essential revisions:

1. Please provide reference numbers sequentially in text (ref. # 30 is written after 35 in page 7).

2. Table 6 is missing from result section. In response to my comment # 18, the authors mentioned that they added a new table “Table-6” which is not available with main document.

With thanks and best regards,
Jasim

**Level of interest:** An article of importance in its field

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** Yes, and I have assessed the statistics in my report.
