Reviewer’s report

Title: Case Study: Does training of private networks of Family Planning clinicians in urban Pakistan affect service utilization?

Version: 5 Date: 23 October 2010

Reviewer: Babar Tasneem Shaikh

Reviewer’s report:

Adding extra info has made the length of the paper too long. Moreover, because of limited interest of the topic for international readership, it would be desirable to publish this in a local journal.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

'I declare that I have no competing interests.'
