Reviewer’s report

Title: The social relations of health care and household resource allocation in neoliberal Nicaragua

Version: 4 Date: 8 April 2010

Reviewer: Katia Mohindra

Reviewer’s report:

The author has done a good job responding to my queries. This article will be of great interest to the BMC International Health and Human Rights. I suggest that the first line of the conclusion in the abstract to be revised to reflect the new conclusion.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
