Reviewer's report

Title: A comparative study of Taiwan's short-term medical missions to the South Pacific and Central America

Version: 2 Date: 6 December 2012

Reviewer: Ben White

Reviewer's report:

The authors have made a good faith effort at revising based on the reviewers' comments.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests.
