Reviewer's report

Title: The health and wellbeing of young people in sub-Saharan Africa: An under-researched area?

Version: 2 Date: 22 January 2013

Reviewer: matthew F chersich

Reviewer's report:

The letter of response structure is interesting, but a point-by-point letter addressing each comment would be preferable to me, but is not neccessary to provide this.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
