Reviewer’s report

Title: Cross-sectional dietary deficiencies among a prison population in Papua New Guinea

Version: 1 Date: 10 December 2012

Reviewer: sharon thompson

Reviewer’s report:

1. Major compulsory revisions - none
2. Minor essential revisions - Line 231 - add apostrophe to prisoner’s
3. Discretionary revisions - consider providing more specific information on foods which are locally available that may improve diet quality for this population. Could provide specifics for vitamin/mineral deficiencies.

Level of interest: An exceptional article

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
