Reviewer’s report

Title: Human Rights, Health and the State in Bangladesh

Version: 3 Date: 23 August 2005

Reviewer: Elizabeth Reid

Reviewer’s report:

General

-----------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
These have been addressed.

-----------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
These have been addressed.

-----------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
