Title: Developing a Health and Human Rights training program for French speaking Africa: lessons learned, from needs assessment to a pilot program.

Version: 2 Date: 14 July 2009

Reviewer: Nelson Musoba

Reviewer's report:

I have reviewed the resubmitted manuscript; Developing a Health and Human Rights training program for French speaking Africa: lessons learned, from needs assessment to a pilot program. I would like to observe that all the responses provided are satisfactory to me and therefore I have no objection to its publication.
