Title: Developing a health and human rights training program for French speaking Africa: lessons learned, from needs assessment to a pilot program

Version: 5 Date: 17 August 2009

Reviewer: Bebe Loff

Reviewer's report:

Unfortunately the English expression remains unsatisfactory. This must be improved if the article is to be considered for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
