Reviewer’s report

Title: Impact of the Introduction of Ultrasound Services in a limited resource setting: Rural Rwanda 2008.

Version: 1 Date: 30 December 2008

Reviewer: benjamin longo-mbenza

Reviewer’s report:

When assessing the work, I considered the following points:

- the study question is well defined by the authors;
- the methods are appropriate and well described;
- the data are sound;
- the manuscript does adhere to the relevant standards for reporting and data deposition;
- the limitations of the work are clearly started.
- the discussion and conclusions are well balanced and adequately supported by the data;
- the authors clearly acknowledge published works upon which they are building;
- the title and abstract do accurately convey what has been found;
- the writing is rather good and acceptable.

Conclusion

The shorten paper is defined by original material, valid information and rational conclusions.

I recommend the paper to be accepted and published as it is.
