Reviewer's report

Title: A randomised controlled trial investigating the effect of vitamin B12 supplementation on neurological function in healthy older people: the Older People and Enhanced Neurological function (OPEN) study protocol [ISRCTN54195799]

Version: 2 Date: 20 February 2011

Reviewer: David Robinson

Reviewer's report:

Dear Journal Editorial Team,

I have reviewed the revised manuscript and the authors’ response to my criticisms and I am satisfied they have addressed any substantive issues raised. I would recommend publication without further revision,

Kind regards,

David Robinson
