Reviewer's report

**Title:** Relationship between postprandial changes in cardiac left ventricular function, glucose and insulin concentrations, gastric emptying, and satiety in healthy subjects

**Version:** 2 Date: 10 February 2011

**Reviewer:** Kent Emilsson

**Reviewer's report:**

The manuscript has improved significantly after revision.

Minor Essential Revisions

Background page 3: "The systolic longitudinal (S)...."
"Velocity" is missing and should be added.

Methods page 5: "Acusone" is usually spelled without "e", that is, should be "Acuson".

References page 14: Some parts of the references are written in bold, others not.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.

**Declaration of competing interests:**

I declare that I have no competing interests.
