Reviewer's report

**Title:** Pharmacokinetics of a single oral dose of vitamin D3 (70,000 IU) in pregnant and non-pregnant women.

**Version:** 2  **Date:** 8 June 2012

**Reviewer:** Paul P Lips

**Reviewer's report:**

interesting study, well performed, but too long. The number of tables and the text can be reduced to half, and the deleted tables can be made available through the website
