Reviewer’s report

Title: Popcorn is more satiating than potato chips in normal-weight adults

Version: 2 Date: 9 July 2012

Reviewer: Susan Barr

Reviewer’s report:

The authors have addressed previous comments clearly. I have only a few minor editorial revisions to suggest.

Page 1, footnote b: Typographical error - "Knigston" should be "Kingston"

Page 1, footnote d: It appears that there is a typographical error in the e-mail address. I assume that "rippelifestyle" should be "rippelifestyle".

Page 8, last sentence: There appears to be missing text at the end of this sentence. I believe that something like "for one cup popcorn" should be added after "220 +/- 967% (33 +/- 145 kcal)".

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
