Reviewer's report

Title: Extracellular micronutrient levels and pro-/antioxidant status in trauma patients with wound healing disorders: results of a cross-sectional study

Version: 4  Date: 15 November 2013

Reviewer: Dora Il'yasova

Reviewer's report:

I think this is a good manuscript and should be published. There is a typo in the abstract: second mention of concentration units for vitamin D is not correct.

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
