Reviewer's report

**Title:** Calcium plus Vitamin D3 Supplementation Facilitated Fat loss in Overweight and Obese College Students with Very-low Calcium Consumption: A Randomized Controlled Trial

**Version:** 2  **Date:** 30 October 2012

**Reviewer:** shiva faghih

**Reviewer's report:**

I tried to submit my report on line but it was not possible so I had to answer by email.

The authors have answered all of my questions sufficiently well so the manuscript is acceptable to be published.

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.
