Reviewer's report

Title: Consumption habits of pregnant women and implications for developmental biology: a survey of predominantly Hispanic women in California

Version: 2 Date: 15 May 2013

Reviewer: Roseli M Y Nomura

Reviewer's report:

The authors answered all the comments and the manuscript was revised. The discussion was improved, however, I still consider the number of references excessive.

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
