Reviewer’s report

Title: Malnutrition in pregnancy after bariatric surgery: three clinical cases of fetal neural defects

Version: 2 Date: 2 April 2014

Reviewer: giovanna turconi

Reviewer’s report:

I read the revised manuscript very carefully and I found that all the points raised earlier have been addressed. Therefore, I am satisfied with the corrections and modifications the authors made following my comments. Now, the manuscript is acceptable and can be published without further revision.

Quality of written English: Acceptable
