Minor Essential Revisions

Abstract

I suggest that authors write at the end of the abstract goal of revision.

Background

In the 1st, 2nd and 3rd paragraphs, please be more specific in the use of the term "diabetes". Do the authors refer to T1D and T2D? There is no call to Figure 1 in the text, please include it.

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
