Reviewer's report

Title: Low carbohydrate diets in family practice: what can we learn from an internet-based support group

Version: 1 Date: 22 August 2006

Reviewer: Karl S Roth

Reviewer's report:

General

---------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

---------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

---------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
