Reviewer’s report

Title: Urine alkalization facilitates uric acid excretion.

Version: 2 Date: 6 August 2010

Reviewer: Scott E Liebman

Reviewer’s report:

Major Compulsory Revisions:

The authors have responded to my previous concerns.

Minor Essential Revisions:

There are several grammatical mistakes throughout the paper which need to be corrected prior to publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
