Reviewer's report

Title: Changing perceptions of hunger on a high nutrient density diet

Version: 5 Date: 1 September 2010

Reviewer: Michael Greger

Reviewer's report:

If indeed suggested the revisions were made then the article should be good to go.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I am an employee of the Humane Society of the United States, an organization that supports a plant-based diet.
