Reviewer's report

Title: Protein-Enriched Meal Replacements Do Not Adversely Affect Liver, Kidney or Bone Density: an Outpatient Randomized Controlled Trial

Version: 4 Date: 8 December 2010

Reviewer: Vijay Ganji

Reviewer's report:

I am fine with the changes that were made.

One minor suggestion:

In the foot note of each table, add the type of statistical test used to determine the significant difference.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no conflict of interest
