Reviewer's report

**Title:** Short-term effects of ambient particulates and gaseous pollutants on the incidence of transient ischaemic attack and minor stroke: a case-crossover study

**Version:** 2  **Date:** 13 August 2012

**Reviewer:** Julie Johnson

**Reviewer's report:**

Minor Revision:

The formatting of some journal titles in the reference list is still incorrect: words in journal titles longer than one word must be abbreviated with one space between abbreviations.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

I declare that I have no competing interests.
