Reviewer's report

Title: previous title: Autism, Circumcision and Analgesia: an Ecologic Link
       Changed to: Prenatal and Perinatal Analgesic Exposure and Autism: An
       Ecological Link

Version: 2 Date: 7 March 2013

Reviewer: Deirdre J Lyell

Reviewer's report:

The authors have incorporated comments and suggestions thoroughly. The
revision is concise and the conclusions are stated acknowledging the limitations
of an ecological analysis. This is a fascinating topic.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the
statistics.

Declaration of competing interests:
