Reviewer’s report

Title: Pesticide use and opportunities of exposure among Palestinian farmers and their families, 1998-2006: Cross-sectional Studies from Beit-U‘mmar village in Hebron governorate, Occupied Palestinian Territory

Version: 2 Date: 26 August 2010

Reviewer: Erik Jørs

Reviewer’s report:

I find that the authors has given good explanations to initial doubts and revised the document in a satisfactory manner. I have no further comments, and recommend the paper to be published.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
