Reviewer’s report

Title: Effect of left atrial compliance on pulmonary artery pressure: a case report

Version: 1 Date: 16 July 2006

Reviewer: Vladyslav Chubuchnyy

Reviewer’s report:

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached):

1. Essential measurements are missing (LA compliance, pulmonary pressure, mitral regurgitation severity).
2. LA area on the presented picture is only 24 cm² that is far away from declared 73 cm².

What next?: Unable to decide on acceptance or rejection until the authors have responded to the major compulsory revisions

Level of interest: An article of limited interest

Quality of written English: Acceptable
