Reviewer's report

Title: Student perception about working in rural Nepal after graduation: A study among first and second year medical students

Version: 2 Date: 15 July 2012

Reviewer: Thomas Chacko

Reviewer's report:

Authors have addressed the concerns and clarified where required. The limitations of the study could be given prominence so that audience can make a judgement call on the policy implications of the implications of the study

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
