Reviewer’s report

**Title:** Future career plans of Malawian medical students: a cross-sectional survey

**Version:** 2  **Date:** 18 July 2012

**Reviewer:** Reem Mustafa

**Reviewer’s report:**

**Minor Essential Revisions:**
To change the conclusion to say "The majority of respondents, who were concentrated in the preclinical years, intent to leave Malawi in the future". rather than " has plans to leave Malawi in the future"

**Discretionary Revisions:**
Authors need to check punctuation.
Authors may want to mention the low response rate as a threat to external validity as well.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
