Reviewer's report

Title: Quality of work life among primary healthcare nurses in the Jazan region, Saudi Arabia: A cross-sectional study

Version: 1 Date: 8 July 2011

Reviewer: Hanan Alahmadi

Reviewer's report:

Dear Editor
I believe this article is good for publication provided that the following major revisions are made:
1. Revise Problem Statement
2. Rewrite Literature review
3. Add more advanced statistics to make in-depth analysis
4. Add recommendations and study implications for policy.

Thank you
Hanan Al-Ahmadi

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
