Reviewer's report

Title: Child health nurses in the Solomon Islands: implications for the Pacific and other developing countries

Version: 3 Date: 30 September 2012

Reviewer: John Vince

Reviewer's report:

Minor Essential Revision

Discussion para 4 sentence 3. delete the word them. So to read;"Most concerning for nurses involved in overseas training was the separation from their families and communities".

Discretionary Revision

Discussion Para 4 sentence 3. There is no reference to the source of the information regarding cost of training. Perhaps this could be included in parentheses as a personal communication from the appropriate source in the Ministry of Health

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare i have no competing interests
