Reviewer’s report

Title: Physician and nurse supply in Serbia using time-series data: A Case Study

Version: 4 Date: 25 March 2013

Reviewer: Basu Ghosh

Reviewer’s report:

Background

The authors have added paragraphs explaining the earlier HRH planning approach used in Serbia.

Methods

The elaboration and elucidation of the methods adopted by the authors is now satisfactory.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
